Report of the Auditor on the Financial Statements of the Columbia School District for 2010-11

Jim McGinnis of Gerding, Korte & Chitwood, accountants for the district, presented information on the status of the audit for the fiscal year ended June 30, 2011. He reviewed a draft of the audit communication letter.

(At this point in the meeting, 6:54 p.m., Ms. Wade arrived.)

The final audit communication letter and the Comprehensive Annual Financial Statement for the fiscal year ended June 30, 2011, will be presented for consideration of approval at a special meeting of the Board of Education at 7:30 a.m. on Wednesday, December 21, 2011, at the Administration Building, 1818 West Worley Street.

Secondary Boundaries

Dr. Wanda Brown, Assistant Superintendent for Secondary Education, and Don Ludwig, chair of the Secondary Enrollment Planning Committee, reviewed the work of the committee regarding the drawing of secondary school attendance area boundaries. Boundary scenarios will be presented for consideration at the Board's January 9, 2012, regular meeting.

Naming of Administration Building

Board members discussed renaming the Administration Building. Dr. Brown indicated that there had been a great deal of support for the name of former superintendent Neil C. Aslin as a name for the new high school. Since the new high school eventually was named for former associate superintendent Muriel Battle, the naming committee suggested naming the renovated Administration Building for Dr. Aslin. The Board will take action on the naming of the building within the next several months.

Superintendent's Report

April 2012 Bond Issue/Operating Levy Discussion

Dr. Belcher led a discussion regarding a possible bond issue/operating levy ballot issue for voters to consider at the April 2012 election. After discussion, it was the consensus of the Board that a \$50 million bond issue (which would involve a 12-cent tax increase) as well as a 40-cent operating tax levy increase—for a total tax increase of 52 cents per \$100 of assessed valuation—be placed before the voters on the April 2012 ballot. The Board will consider ballot language for approval at its regular meeting on January 9, 2012.

Consideration of World Languages Curriculum

Columbia Public Schools operates a systematic process for periodic study, review, and revision of curriculum standards and objectives. Program evaluation for World Languages was completed in 2009-10 and was updated through the process of secondary reorganization and intermediate school design during 2010-11. The program evaluation report is posted on the Columbia Public Schools public Web site, www.columbia.k12.mo.us. Suzanne Yonke, coordinator of the district's World Languages program, presented the revised curriculum objectives for the Board of Education's consideration. It was moved by Ms. Mees that the curriculum objectives be approved as presented. The second was by Mr. Sessions. The vote was 7 yes—0 no.

Consideration of Policies

The Board of Education Policy Committee has met and reviewed several policy updates and recommendations from the Policy Services division of the Missouri School Boards Association. These are current district policies being changed or recommended to be rescinded due to revision in state or federal law, state or federal regulations, state or federal court decisions, or changes due to current legal interpretations, clarity, and/or general revisions. Also presented for first reading were two new policies, HA, "Negotiations with Employee Representatives," and HH, "Teacher Negotiating Representatives (Exclusive Representative)." These two policies will be presented for consideration of approval at the Board's regular meeting on January 9, 2012. On behalf of the administration and the Board of Education Policy Committee, Dr. Belcher recommended that the Board approve the recommendations for revisions to existing policies and the rescinding of one existing policy. It was moved by Mr. Whitt that the policy changes be approved as presented. The second was by Ms. Mees. The vote was 7 yes—0 no.

Board members then discussed the two new policies being presented for first reading, HA, "Negotiations with Employee Representatives," and HH, "Teacher Negotiating Representatives (Exclusive Representative)." After Board discussion and
