RECEIPTS

Best practice would be to keep your hardcopy receipts for 3-6 months after you attach it to the transaction in Works. You can certainly keep the receipts for longer if you feel necessary or if you need to return any item back to the merchant.

LOST RECEIPTS

If receipts are missing, the cardholder must immediately request a copy of the receipt from the merchant.

RETURNS, DAMAGED SUPPLIES AND CREDITS

Items should be returned directly to the vendor by whichever means the vendor requires. The cardholder is responsible to see that proper credit is posted to his/her Purchasing Card account for any returned items. (See Disputed Charges)

If supplies purchased with a Purchasing Card need to be returned, the cardholder should work directly with the supplier. Often a phone number and other instructions are included on the packing slip and/or receipt.

Vendors will issue all credits directly to the individual Purchasing Card account for any items they have agreed to accept for return. This credit will appear on a subsequent statement. ***UNDER NO CIRCUMSTANCES SHOULD A CARDHOLDER ACCEPT CASH OR A VENDOR GIFT CARD IN LIEU OF A CREDIT TO THE PURCHASING CARD ACCOUNT. THIS WILL RESULT IN SUSPENSION OR TERMINATION OF THE PURCHASING CARD AND MAY LEAD TO DISCIPLINARY ACTION, UP TO AND INCLUDING PROSECUTION AND TERMINATION OF EMPLOYMENT.***

The cardholder must request a credit receipt for returned items. Some companies may not provide this receipt unless requested.

In some cases there may be a restocking fee (usually a percentage of the purchase price).
